CERTIFICATIONS

- PHP Internship Certificate, EDevelop Services Pvt. Ltd. (4 months) – Aug 2023- Nov 2023
- PHP Internship Certificate, Concept Infoway Pvt. Ltd. (6 months) – Jan 2024- July 2024

EXPERIENCE

EDevelop services Pvt.Ltd (Aug,2023-Nov,2023)(4 months)

- PHP developer Intern (Core PHP,Laravel)
- Developed and maintained web applications using core PHP and Laravel frame work.
 - Assisted in database design and management using MySQL.

Concept Infoway Pvt.Ltd (Jan,2024 – present)

- Laravel & Vue.js & Next.js:
- Built secure authentication (register, login, logout, forgot password) using Laravel with custom validation rules.
 - Developed REST APIs with Laravel and integrated them with Next.js frontend for a seamless user experience.
 - Implemented middleware for route protection and role-based access control.
 - Integrated **Braintree payment gateway** with secure transactions and auto-pay (recurring billing) functionality.

- Dot Net:
- .NET Developer experienced in building CRUD applications using ASP.NET Web Forms and SQL Server.
 - Developed secure RESTful Mobile APIs with .NET Core, with efficient data handling for mobile integration.

PROJECTS

Business Management (Laravel & Vue js)

- Developed a multi-role platform with Super Admin, Business Users, and End Users. Business users can add and manage services, process payments, and track transaction history. Integrated secure payment gateway functionality. Built fully interactive admin and business dashboards with analytics, tracking, and role-based access control for efficient management.

Art Leasing (Laravel & Next js)

- Developed a secure authentication system with Laravel Sanctum and Next.js, applying token-based registration, login, and logout. Users can update their entire profile, with protected routes and dynamic API integration between backend and frontend for a smooth experience.

Blog Websites (WordPress)

- Crafted a robust blogging platform in WordPress leveraging ACF to facilitate smooth content organization, enhancing the reader experience by enabling easy access to hundreds of articles through intuitive navigational features.
