EXPERIENCE

- Front-End Developer**
LuvCite Technology Pvt. Ltd., Bhubaneswar
May 2024 – Present
Experience: 1.2+ Years

PROJECTS

Royal Spirit E-Commerce Platform

Developed a luxury e-commerce platform for Royal Spirit, a premium online beverage retailer based in Abu Dhabi. The project involved building a highly responsive and engaging web interface using **React.js**, **HTML5**, **CSS3**, and **JavaScript**, with seamless integration of product catalogs, filtering, shopping cart, and checkout functionalities. Focused on performance optimization, SEO-friendly markup, and ensuring a plush user experience across devices. Collaborated with design teams to bring a lounge-like, premium ambiance online, mirroring the brand's concept-store identity

SEMINARS AND WORKSHOP

- Attended Live Webinar on Samsung Prism Spark the Fire Within 'Voice Tech' Applications

AWARDS AND RECOGNITIONS

- Trailhead EXPEDITIONER badge(55 badges & 2 superbadges)

SOCIAL LINKS
