PROFILE

I'm UI/UX Designer and Product Designer with 2.8 years of experience. Expertise in user research, wireframing, prototyping, visual design, and creating seamless, user-centered experiences using Figma, Adobe XD, Adobe Illustrator and Adobe Photoshop.

EXPERIENCE

GREAT PRIME CLASS • SEPT 2024 – DEC 2024

UI UX Designer (Freelancing)

Designed intuitive website interfaces, usability testing, and user-centered design. Delivered end-to-end solutions, including wireframes, prototypes, and high-fidelity designs, ensuring responsiveness and brand consistency.

WISHUP TECHNOLOGY PVT LTD. • JAN 2024 – MAY 2024

Product Designer

Created wireframes, interactive prototypes, and communicated design concepts, ensuring alignment with user needs and business goals. Conducted usability testing to refine user experiences and designed mobile apps and websites for consistency. Developed engaging user interfaces that strengthened brand identity and improved user retention. Collaborated with cross-functional teams to analyze user requirements, business objectives, and technical constraints for seamless project delivery.

GEEKRABIT PVT LTD. • AUG 2022 – DEC 2023

Product Designer

Conducted user research, usability testing, and created wireframes, prototypes, and user flows to improve UX. Designed mobile apps, web interfaces, and visual designs, ensuring consistency, brand identity, and seamless collaboration with developers for pixel-perfect execution.
