Caste: General

PROFILE

I am a junior web developer with an eye for design and strong analytical skills. My aim not only to problem solve, but also help bridge the gap between end-users and businesses. I am always ready to take on challenging assignments, assist other and consistently exceed expectations.

PROFESSIONAL EXPERIENCE

- Currently working as a Trainer at Dreamz computer institute Work responsibility: Training coordinators in ReactJS, Python, Web Development, and Photoshop.
- 3-month internship from Anudip Foundation. 2nd April 2022 to 12th July 2022.
- 1 year of experience as a trainer web development.
- And I am doing a course in Full stack web development php- stack.

PROJECTS

- Pathasala (A learning project for schools) Using HTML, CSS, JS, React, Bootstrap.
- Work Every Day (Local Freelancing in a District) It is my own favorite front-end project.
- Mandapam (A marriage searching app developed using React and Firebase for real-time data).
- Personal Portfolio React Project.
- Shoes-Shop React front-end project.
- Digital Clock, Calculator, etc. (single-page projects).
