WORK EXPERIENCE

1

January 2023 – April 2023

Flaplive Innovation

UX/UI designer Intern

"Collaborated with product managers, business developers, and other stakeholders to understand and gather business and user requirements. Developed concepts to high-fidelity mockups for an IT service provider and a food delivery website, optimizing designs for mobile web. Worked closely with product designers, supporting design efforts and UX research. Additionally, created social media ad and post concepts to enhance digital impressions."

2

May 2023 – 2025

Flaplive Innovation

UX/UI designer

"Designed logos, created icons, and developed intuitive wireframes to enhance user experiences. Overcame challenges by innovating solutions and ensuring project success. Conceptualized and designed website layouts from scratch, transforming ideas into visual designs. Created engaging social media ads/posts to boost digital impressions. Designed application wireframes and visual designs to deliver seamless user experiences."

EDUCATION

2020 – 2022

Bachelor of commerce

Madhav collage

10 Jul 2022 – 10 Dec 2022

UX/UI designing course
