PROJECTS

Ekart | Emtronik | github.com/debasismohanty/Ekart | January 2024 -January 2024

- Hibernate: an ORM framework that maps Java objects to database tables and simplifies database interaction.
- JSP and Servlets: web technologies that create dynamic web pages and handle user requests, following the MVC pattern.
- MySQL: an open-source relational database management system that stores and retrieves data.
- Maven: a build tool that manages dependencies, plugins, and project lifecycle.
- CRUD operation with Java and ORM Technique.
- Maintained the Current Login user and Protecting to access admin Dashboard.

Quiz Rest Application | Centurion University | github.com/debasismohanty/quiz-app | November 2023 -January 2024

- Built a Quiz Rest Application allowing students to register via an admin interface, take multiple-choice tests, and store results in a database. Utilized Java for backend development with REST APIs providing data in JSON format to a React-based frontend, leading to enhanced data management and user experience.

TechBlog | Emtronik | github.com/debasismohanty/TechBlog | September 2023 -January 2024

- Advanced Java With Jdbc for Database Connectivity .
- The project is a web application that allows users to log in,do crud operation.
- The project is developed using Java as the programming language, JSP pages as the front-end, and Servlet as the back-end.
- The project uses MySQL as the database to store and retrieve the user information and code snippets.
- The project demonstrates the use of MVC (Model-View-Controller) design pattern, JDBC (Java Database Connectivity) API, and HTML, CSS, JavaScript ,Ajax for web development.

EDUCATION

Bachelor of Technology | Centurion University Of Technology and Management | Bhubaneswar | 2025 | 8.2 School | SXHSGK BBSR | , | 2019
Senior Secondary | SXHSGK | Bhubaneswar | 2021

CERTIFICATIONS

Internship Certificate | Younity| 2024

COURSEWORK

SKILLS

Front end : Html , Css , Javascript ,Jquery , Ajax

Web Technologies : Servlet , JSP

Web Servers : Apache Tomcat 8

Java Frameworks : Spring , SpringBoot

Database : Mysql , Oracle

Build Tool : Maven

IDE : STS , Eclipse , IntelliJ IDEA , NetBeans
