CAREER OBJECTIVE

Motivated MCA student seeking a dynamic role in a growth-oriented organization to apply programming knowledge, problem-solving abilities, and passion for technology. Eager to contribute to impactful software solutions, learn emerging technologies, and grow as a versatile professional in a collaborative and innovative environment.

EDUCATION

Siksha 'O' Anusandhan University (ITER) Master of Computer Application (secured 9.13)	Bhubaneswar, India 2023-2025
Kendrapara Autonomous College,Kendrapara Bachelor of Science In Chemistry (secured 9.09)	Kendrapara , India 2020-2023
Kendrapara Higher secondary school,Kendrapara 12 th CHSE, Odisha (secured 73.67%)	Kendrapara , India 2018-2020
Panchayat Nodal High School,Bachharai 10 th BSE , Odisha(secured 77.16%)	Kendrapara , India 2018

EXPERIENCE

Full-stack Web development Intern DREAMWAVE INNOVATION	July.2024-Sep.2024
- Build responsive interfaces using HTML , CSS , Javascript and React.js. - Designed web pages with bootstrap for a modern look and feel. - Managed databases using MySQL. - Strengthened teamwork, communication, and problem-solving skills.	

PROJECTS

Plant Disease Detection Using CNN	Feb.2025-June.2025
- Developed an image-based classification system to identify plant diseases. - Applied deep learning concepts to solve a real-world agricultural problem. - Handled large datasets and implemented data preprocessing techniques. - Built and tested the model using Python and relevant libraries (TensorFlow/Keras).	
Health Plus – Healthcare service website HTML,CSS ,JS ,NodeJS, MongoDB	July.2024-Aug.2024
- Developed an interactive healthcare platform to unify hospital appointment booking and consultation. - Created an emergency blood donation service for quick donor-patient matching. - Built backend services with Node.js, Express.js and MongoDB for efficient data management. - Collaborated with team members to enhance functionality and performance.	

CERTIFICATION

- | | |
|--|-----------|
| • Data science completion certificate PW | June.2024 |
| • Python course completion certificate Great Learning | Apr.2024 |

SKILLS

- Programming Languages:** Java, C, Python, JS, MySQL ,PHP, HTML ,CSS.
- Technologies /Tools:** Git hub,VS Code, Jupyter Notebook.
- Experience:** Data Structure, Algorithms, Web Development.
- Soft Skill:** Problem Solving, Team Management.

EXTRA CURRICULAR ACTIVITY

- Passion for technology and innovation, problem solving skills.
- Participating in sports event ,working with teammates , proper time and task management.
