CAREER OBJECTIVE

Highly motivated and dedicated software developer with over 1 year of hands-on experience, seeking an opportunity to work in a dynamic and challenging environment. Eager to apply my skills, knowledge, and problem-solving abilities to contribute effectively to the growth and success of the organization. Driven by a passion for continuous learning and professional development, I aim to deliver innovative solutions and add value through my technical expertise.

WORK EXPERIENCE

Bk Graphy - Web Developer

March 2023 - Present

- With a wealth of experience in front-end development, I have consistently designed and developed dynamic, responsive websites utilizing WordPress, HTML, CSS, and JavaScript.
- Additionally, I have contributed to React.js projects, focusing on specific modules and functionalities. My expertise lies in crafting interactive, visually engaging content that elevates user experience and fosters deeper user engagement.
- Optimized project workflows, resulting in a 25% increase in overall efficiency.

PROJECT

E-Commerce Website-(Bk Graphy)

June 2023 - Aug 2023

- Technologies Used: WordPress, WooCommerce, HTML, CSS, JavaScript .
- Designed and developed a custom e-commerce platform and integrating a secure payment gateway, product management system, and user-friendly shopping cart. Focused on enhancing the website's usability and conversion rates through intuitive design.
