Summary :--

- ❖ Around 2+ years IT experience in Database Developer. Experience in Windows Administration.
- ❖ Experience in Windows Administration. Experience in Development and Production Applications.
- ❖ Experience on creating Databases. Experience on creating scheduled jobs.
- ❖ Experience on writing Procedures, Functions, Cursors, Views and Triggers.
- ❖ Experience on writing sub queries. Experience on writing stored functions.
- ❖ Experience on creating indexes and constraints. Experience on writing Json queries.
- ❖ Experience on writing Json functions. Write complex SQL queries to extract data from databases.
- ❖ Experience in Develop and maintain ETL processes to move data between databases.
- ❖ Develop and maintain database backup and recovery procedures. Running performance testing in data objects.

Qualifications	School/College	University/Board	Pass out year
B.Tech	Satya Sai Engineering College ,Balasore , Odisha	Biju Pattnaik University of Technology, Odisha	2020
12th	Sai Sadhana Science College,Dibyasingpur, Udala, Odisha .	Council of Higher Secondary Education, Odisha	2016
10th	Kuamara Govt High School, Odisha	Board of Secondary Education,Odisha	2014

Project Profile:-

Project 1:

Project name: E-farmarket.
Client: Andhra Pradesh Farmer E_Vikraya Corporation Ltd.
Period: Dec 2022-April 2023.
Role: Database developer.

Description: Andhra Pradesh Farmers e-Vikraya Corporation Limited is the lead agency for implementing the e-farmarket Platform under the aegis of Department of Agriculture Marketing, Government of Andhra Pradesh. E-Far-market is a comprehensive end-to-end agri marketplace services platform that encompasses the entire agri marketing value chain of the state. The platform caters to all requirements of traders with provision of integrated value-added services such as quality assaying, logistics, warehousing, storage, finance, thus enabling complete hassle-free trade transaction.

Responsibilities:

- Creating and modify database. Creating and managing tables and indexes.
- Create and maintain stored procedures and triggers.
- Maintaining the replica tables for source tables.
- Writing Complex queries based on requirement.
- Creating scheduled jobs to process daily data.
- Maintaining Daily backups.
- Import the data from data sources like excel, csv.
- Design the tables without duplicate data. Editing the data using DQL commands.
- Creating the user defined functions. Creating views to daily necessary data.
- Writing the queries using J-Son to retrieve large data quickly.
- Preparing KT document for future reference and shared with Team.
- Running performance testing in data objects.
- Writing subqueries based on requirement.
- Supporting testing efforts from a database perspective.

Project 2:

Project name:	Andhra Pradesh Warehousing System(APSWC)
Client:	AP State Warehousing Corporation
Period:	May2023-Dec 2023.

- Create and maintain stored procedures and triggers. Maintaining the replica tables for source tables.
- Writing Complex queries based on requirement. Creating scheduled jobs to process daily data.
- Maintaining Daily backups. Import the data from data sources like excel, csv.
- Design the tables without duplicate data. Editing the data using DQL commands.
- Creating the user defined functions. Creating views to daily necessary data.
- Writing the queries using J-Son to retrieve large data quickly. Preparing KT document for future reference and shared with Team.
- Running performance testing in data objects. Writing subqueries based on requirement.

PERSONAL SKILLS

- ❖ Expert in implementation of each step of project.
- ❖ Excitement to learn new technologies and methodologies.
- ❖ Always willing to innovate the new things which can improve the existing technology

Technical skills

- ❖ Operating System : Windows, Linux Administration,
- ❖ Cloude Technology : AWS, DEVOPS .
- ❖ Programming Languages : C, C++ , Core-Java, Advance Java(JDBC), Spring Basic
- ❖ Databases : Oracle (SQL\PLSQL) , MySQL, SQL Server(SSMS)
- ❖ IDE : Eclipse, Notepad++, Edit-Plus., Visual Studio, Postman.
- ❖ UI Technologies : HTML5,CSS, Java Script
- ❖ Architecture : MVC architecture, JVM architecture

Key Skills

- ❖ Core java
- ❖ C/C++ Programming Language
- ❖ Microsoft Office (Word ,Excel ,PowerPoint)

Internship/Training

- ❖ Taken training from Naresh Institute Technologies in core java, Advance java ,HTML5,oracle,linux

Personal Attributes

- ❖ Hard Working
- ❖ Adaptability
- ❖ Creativity
- ❖ Leadership
- ❖ Responsibility
- ❖ Honesty

Personal Information

- ❖ Father's Name : Shashidhar Behera
- ❖ DOB : 08/06/1998
- ❖ Gender : Male
- ❖ Nationality : Indian
- ❖ Religion : Hindu
- ❖ Marital Status : Unmarried
- ❖ Permanent : At /Po-: Patisari , PS -:Barasahi ,District-:Mayurbhanj , Odisha, 757083
