CAREER OBJECTIVE

Aspiring IT professional with a solid educational foundation in web development seeking a challenging role in the technology sector. Eager to apply my technical skills, dedication to innovation, and problem-solving abilities in a dynamic work environment. Committed to contributing to the success of a forward-thinking organization and advancing my career in the ever-evolving world of information technology.

PROFESSIONAL SYNOPSIS

- Detail-oriented IT graduate with a knack for solving complex technical issues. Strong analytical and communication skills to collaborate effectively with cross-functional teams
- Results-oriented IT enthusiast with a background in web development. Skilled in troubleshooting and resolving technical issues efficiently.
- Rich usage experience in C#, ADO.NET, and Client side Scripting using JavaScript
- Experience in developing Desktop application using .NET Framework 4.6

EMPLOYMENT HISTORY

- Currently working as **Web Development Intern** at **Sainaatech IT Solutions, Cuttack** from **July 2023 to till now**. I have been actively involved in both front-end and back-end development. On the front-end, I have worked with technologies like HTML, CSS, and JavaScript to create visually appealing and responsive user interfaces. On the back-end, I have gained expertise in .NET technologies, including ASP.NET, C#, and SQL Server, to build the server-side components and manage data
