EXPERIENCE

2022 – PRESENT

SR SOFTWARE ENGINEER, CLARION TECHNOLOGIES, PUNE. (2 YEARS)

Clarion works with businesses on the VEmployee Model. I am working for client Simpro as Team lead. Simpro is used for services like job management, service management, project management, asset management, etc. As a part of the development team, I am responsible for participating in a Sprint Plan and retrospective, SCRUM Meetings, gathering requirements from SDM, and following the Agile process. I help other team members with their concerns. Contributing by implementing features, writing code as per company standards, performing unit testing, R&D and bug fix tasks **Simpro, Slot Management, FOCOS Connect** Project.

2020 – 2022

SOFTWARE ENGINEER, Entrata, PUNE. (2 YEARS)

Entrata is a property management solution provider for Entrata Inc. As a part of the development team, I am responsible for participating in a Sprint Plan and retrospective, SCRUM Meetings, gathering requirements from SDM, and following the Agile process. Contributing by implementing features, writing code as per company standards, performing unit testing, R&D and bug fix tasks **LMS, Knowledge Base, Content Audit Dashboard** Projects.

2017 – 2020

SOFTWARE ENGINEER, BEE-LOGICAL SOFTWARE SOLUTIONS, PUNE. (2 YEAR 9 MONTHS)

Bee-Logical is a Project based service provider. As a part of the development team, I was responsible for SCRUM Meetings, gathering requirements from customers, designing databases, and managing projects through Zoho. Contributing by implementing features, writing code as per company standards, guiding juniors, R&D and bug fix tasks and giving demos to clients in **MICEONLINE, ASIAWORKER, PRO-RECCE, OATSMANAGEMENT** Projects.

2015 – 2017

SOFTWARE ENGINEER, GREAT PLACE IT SERVICES, NAGPUR. (1 YEAR 11 MONTHS)

As a part of the development team, I was responsible for gathering requirements from business analysts, to implement backend features using CAKEPHP and MySQL, and review code. I was responsible for completing the audit for application as per standard.

Contributed in projects like **Culture Audit, Evaluation** a centralized company review system.
