PROFESSIONAL SUMMARY

Experienced UX designer skilled in creating user-centered designs. Proficient in conducting user research surways, user interviews, wireframing, prototyping, and usability testing. Collaborate effectively with cross-functional teams to deliver exceptional user experiences. Successfully identified pain points and implemented design solutions to enhance user satisfaction within a food delivery App & Brew Wave Smart Coffee-Making App.

EXPERIENCE

Freshtronics UI Designer (Internship) [VIEW PROJECT](#)

DEC 2024

Designed and developed the mobile app UI for Retinoscan, a medical imaging device, Dashboards & Recylick Mobile application

- Created wireframes and prototypes for the mobile app user interface in Figma.
- Designed the UI for the mobile application, ensuring user-friendliness and a seamless user experience.

NEBULAE SOFT UX Designer (Internship) [VIEW PROJECT](#)

JULY 2024 - DEC 2024

- To identify key pain points and opportunities to improve user satisfaction and loyalty within a food delivery app. Perform testing and research on user journeys, develop storyboards and web copy, and deliver presentations to the UX team on design enhancements. Produced high-quality mockups for client approval during the iterative design process, saving time on revisions later down the line.

Accenture North America Product Design virtual experience program [VIEW PROJECT](#)

OCTOBER 2024

- Completed a simulation focused on how the Product Design team can transform a user's experience
- Added a new feature and iterated on an existing product screen
- Communicated the decisions made for the feature design

ZIDIO Development UIUX Designer (Internship) [VIEW PROJECT](#)

MAY 2024 - SEP2024

- Designed User-Friendly Web Applications: Utilized Figma to create intuitive and visually appealing web applications for Resume Craft, Jobs Portal, and E-Learning platforms.
- Informed Design Decisions: Conducted user research and surveys to optimize user experience and ensure design effectiveness.
