

Mrutunjaya Senapati

Security Researcher

I'm Mrutunjaya Senapati, a skilled Pentester dedicated to fortifying cybersecurity through ethical hacking. Proficient in uncovering system vulnerabilities, I contribute to their robust defense. Actively engaged in bug bounty programs, I am committed to advancing digital safety and ensuring resilient online environments.

INTERNSHIPS

ASDN Cybernetics Inc

Vulnerability Assessment and Penetration Testing (VAPT) and Network Testing

11/2023 - Present

- Worked on updating and patching systems to ensure they were protected against known vulnerabilities.
- Participated in red teaming exercises to simulate real-world cyber attacks and evaluate defensive capabilities.
- Conducted Vulnerability Assessments on client networks, identifying and documenting potential security risks.
- Assisted in penetration testing engagements, actively seeking and exploiting vulnerabilities to assess network resilience.

EDUCATION

Cyber Security Diploma in ASD Academy

01/2023 - Present

Courses

- Web Development
- Certified Ethical Hacker(CEH)
- Android App Development
- Cisco Certified Network Associate
- Vulnerability Assessment and Penetration Testing (VAPT)

Ethical Hacking Essentials (EHE) In Codered form EC-council

09/2022 - 12/2022

Courses

- basic computer
- basic OS in Kali Linux
- Basic Networking
- Basic Malware

Bachelor of Commerce Graduation

Bachelor of Commerce (B.Com) marketing onerace,

08/2017 - 09/2021

Odisha Council of Higher Secondary +2 Commerce From CHSE

07/2015 - 03/2017

Odisha Board 10th Examination

Matriculation (10th) from BSE

03/2015

SKILLS

Penetration Testing

Web Application Security

Bug Bounty Participation

Vulnerability Assessment

Operating Systems

Security Tools

Incident Response

Security Research and Analysis

Continuous Learning

PROJECTS

Linkintime (11/2023 - 12/2023)

- fully VAPT testing in company

aristopharma (12/2023 - 01/2024)

- fully VAPT testing in company

Private (01/2024 - 02/2024)

- fully VAPT testing in company

Private (02/2024 - 03/2024)

- Network Testing

Create Website

- proposal web site
