

Smrutiranjana Mallick

Web development (MERN Stack)

 [GitHub](#)  [LinkedIn](#)  msmrutiranjana35@gmail.com  +91 8260605124

Summary

MERN stack web developer with hands-on experience in building real-world applications including LMS, YouTube clone, and e-commerce websites. Completed a 6-month internship in full-stack development, working on API development, UI design, and deployment. Known for strong problem-solving skills, consistent learning habits, and the ability to take ownership of projects from design to deployment.

Work Experience

Web Development Intern

Seeree Private Limited | (6 Months)

Tech Used: MongoDB, Express, React, Node

Key Responsibilities:

- Developed and integrated REST APIs for dynamic data handling.
- Built responsive frontend UI using React and Tailwind CSS.
- Worked with teams to debug, test, and optimize application performance.
- Performed CRUD operations using MongoDB and implemented user authentication.
- Contributed to planning, feature development, and weekly code reviews.

Achievements:

- Improved API response time by optimizing MongoDB queries.
- Delivered assigned tasks consistently before deadlines.

Projects

1. Learning Management System (MERN)

 Live: <https://learning-management-system-frontend-gamma.vercel.app/>

- Built course creation, user roles, and video management features.
- Implemented authentication, admin dashboard, and secure API architecture.
- Developed responsive UI and ensured smooth user experience.

2. YouTube Clone (MERN)

 Live: <youtube-clone-frontend-4nzebgv4h-smrutiranjana936s-projects.vercel.app>

Created video upload, comments, subscriptions, and watch pages.

- Developed backend APIs for video storage and user interactions.
- Integrated dynamic video rendering and real-time UI updates.

3. Portfolio Website (React + Tailwind)

🔗 Live: portfolio-3c7ndsgnn-smrutiranjana936s-projects.vercel.app

- Designed and built a modern portfolio with animations and responsive layout.
- Showcases skills, projects, and contacts info with clean UI.

4. Amazon Clone (HTML + CSS)

🔗 Live: amazon-pieeo086g-smrutiranjana936s-projects.vercel.app

- Built a visually accurate Amazon UI clone using pure HTML & CSS.
- Practiced layout, responsiveness, and UI design fundamentals.

Education

- MCA (Master of Computer Application)
IMIT, BPUT — Cuttack, Odisha (2023–2025)
- Bachelor of Science (B.Sc.)
Nimapada Autonomous College, UTKAL University (2020–2023)
- Intermediate (CHSE)
Nimapada Higher Secondary College (2018–2020)

Skills

Programming & frameworks	- JavaScript, Node.js, Express.js, React.js, REST API
Databases	- MongoDB, MySQL
Frontend Tools	- HTML, CSS, JavaScript, Tailwind CSS, Bootstrap
Tools	- VS Code, Postman, Git, Figma

Strengths

- Quick learner and highly motivated
- Strong problem-solving ability
- Dedicated and consistent in completing tasks

Declaration

I do hereby declare that the above-mentioned statements are true to the best of my knowledge and I bear the responsibility for the correctness of the above-mentioned particulars.
