Software Developer

About Me

With a career spanning since 2021, I have established myself as a proficient backend developer. Born in Ranchi, Jharkhand, I have developed a strong knack for coding, along with a keen interest in playing football and cricket. Besides my affinity for programming, I am passionate about staying fit through regular workouts, exploring the world of music, and staying updated with the latest technological advancements. Seeking opportunities to further enhance my skills and contribute to impactful projects, I am dedicated and motivated towards achieving professional excellence.
