PROFESSIONAL SKILLS

- Web Technologies. : HTML, CSS, JAVASCRIPT, BOOTSTRAP, PHP
- Programming Languages : C, JAVA, PHP
- Designing Skills: CANVA, Photoshop, FIGMA
- Big-Data : Database management system, Operating system, DAA

WORK EXPERIENCE

SKYSHAPE TECH_PVT.LTD Bhubaneswar, ODISHA

Pr-Name:-Home Meal Booking (HMB)

- In HMB project, I developed a login page with database integration, designed the UI, and created "Forgot password" and "Reset Password" pages.

Pr-Name:-Odisha Tennis Association (OTA)

- In OTA project, I implemented a message section to open messages when clicking on someone's picture, a carousel section for enlarging images and a gallery section as well.

Pr-Name:-QUIZ Website

- In the Quiz Website, I designed the entire UI for all pages, including About, Home, Profile, Login, Logout.

Pr-Name:- Skyshape tech Website

- In the Skyshape Website, I designed the entire website with advanced animation using HTML CSS Bootstrap and JavaScript, making it functional, responsive and based on my own ideas.

SELF PROJECT

AMAZON CLONE

- I developed the website's layout and design using HTML and CSS, focusing on creating a visually appealing interface.

TRENDS FASHION

- I designed a modern, responsive clothing website using HTML and CSS.

Circular Progress Bar

- I created a visually appealing progress indicator using HTML CSS and JavaScript

TRAVEL Website

- I designed a stylish, engaging site using HTML and Bootstrap, featuring modern animation and a responsive layout

EDUCATION

» Master's in computer Application (MCA) (2022-2024)

- Gita Autonomous College Bhubaneswar odisha with CGPA 8.85

» Graduation(2019-2022)

- Fakir Mohan University, Balasore, Odisha with 79%

ACADEMIC PROJECT

VOLUME CONTROL AUTOMATION. (2023)

In this project I built a Perceptual User Interface (PUT) for user to adjust the volume of personal computer. I will be leveraging python and open cv source libraries to build this interface

ACHIEVEMENTS
