Education

B.tech: CSE, 07/2023

Konark Institute of Science & Technology - Odisha

Professional Summary

Eager and motivated software engineering graduate with a good foundation in programming languages such as core Java as well as web development frameworks like Laravel. Good in database management with MySQL and in using SQL for data querying and manipulation. Possess a good understanding of software development methodologies, object-oriented programming concepts, and version control systems. Proven ability to collaborate effectively in team environments and adapt quickly to new technologies and challenges. Seeking an opportunity to contribute to innovative projects, enhance technical skills, and drive impactful solutions as a software developer.

Skills

- HTML5
- CSS3
- MySQL
- Postgres
- Laravel
- Tailwind CSS
- Bootstrap
- Core java
- SQL

Work History

Junior Technical Programmer, 10/2023 to 06/2024

HyScaler – Bhubaneswar

Key Skills and Technologies:

- **HTML & CSS:** Developed and styled web pages ensuring responsive and user-friendly designs.
- **Laravel:** Utilized the Laravel framework for backend development, implementing MVC architecture and RESTful APIs.
- **Postman API:** Tested and documented APIs using Postman for efficient backend development.
- **Git & GitLab:** Managed code versions and collaborated with team members using Git and GitLab for source control.
- **MySQL:** Optimized MySQL databases for storing and retrieving application data.
- **TailwindCSS:** Applied utility-first CSS framework for rapid UI development and styling.
- **Bootstrap:** Used Bootstrap for creating responsive and mobile-first web designs.
- **Figma:** Collaborated with designers using Figma to translate UI/UX designs into functional web components.
- **VS Code:** Utilized Visual Studio Code (VS Code) as the primary Integrated Development Environment (IDE) for coding, debugging, and project management.
- **draw.io & Mermaid:** Used draw.io for designing diagrams and mermaid charts for visualizing workflows and data structures.
