WORK EXPERIENCE

Organisation: Aashdit Technologies, Bhubaneswar

Appointed as: Account Lead

Duration: April 2024- Present

Key Responsibility:

- Lead end-to-end IT project lifecycle, from initiation to execution ensuring on-time delivery within budget and defined scope.
- Manage and mentor a team of 7+ IT professionals, driving a 20% improvement in operational efficiency through optimized workflows and resource allocation.
- Gather business requirements, conduct gap analysis, and implement process improvements for e-Governance clients, enhancing system functionality and user experience.
- Coordinate cross-functional teams to ensure alignment with business objectives, project milestones, and stakeholder expectations.

Organisation: IServeU Technologies, Bhubaneswar

Appointed as: Implementation Manager

Duration: Jan 2023- Mar 2024

Key Responsibility:

- Facilitated stakeholder meetings to define project scope, plan resource allocation, and finalize delivery timelines for web and mobile application projects.
- Led end-to-end development of Web and Mobile Applications for banking clients such as UCO Bank and India Post Payments Bank (IPPB), utilizing Agile methodologies.
- Conducted comprehensive requirement gathering, gap analysis, and process optimization for e-Governance projects, enhancing efficiency and compliance.
- Clearly defined Project Scope to prevent scope creep and set realistic expectations for stakeholders.
- Prepared and presented DPR, SRS, and FRS documents to stakeholders, ensuring transparency, alignment, and approval of project deliverables.

Organisation: Explotech Services Pvt. Ltd., Bhubaneswar

Appointed as: Business Analyst

Duration: August 2019- September 2022

Key Responsibility:

- Collaborated with stakeholders to gather and analyze business requirements, translating them into clear project objectives and actionable deliverables.
- Worked closely with project managers and business teams to define project scope, ensuring alignment with organizational goals and timelines.
- Identified and documented project risks, issues, assumptions, and dependencies, supporting informed decision-making and smooth solution delivery.
- Monitored project progress in real-time, enabling proactive interventions and data-driven decisions to ensure timely and successful outcomes.

Organisation: Descom Softwares Pvt. Ltd., Bhubaneswar

Appointed as: Business Development Manager

Duration: November 2012- July 2019

Key Responsibility:

- Converted qualified leads from the Lead Generation team into long-term clients, contributing to consistent revenue growth.
- Engaged with international clients (USA, Canada, Australia, UK) via video conferencing to assess business needs and propose customized digital marketing solutions.
- Developed strategic business plans by identifying the bigger picture, setting clear objectives, and implementing initiatives to drive business improvement.
- Identified and capitalized on high-value business opportunities, resulting in increased client acquisition and revenue generation.
- Achieved a 30% year-over-year increase in sales in 2018, outperforming 2017 through targeted strategies and strong client relationships.

KEY ACHIEVEMENTS

- Received formal recognition from UCO Bank's AGM and GM for the successful delivery of Android and Web applications, exceeding client expectations.
- Led a cross-functional team of 8 members to successfully deliver a web application for India Post Payments Bank, ensuring alignment with project goals and timelines.
- Successfully managed IT projects with a value range of ₹50 lakh to ₹1.2 Crore.
