WORK EXPERIENCE

2023

UI UX DESIGNER

Invincibleocean

As an IT intern for UI/UX, I oversaw the usability testing, user research, and design of digital solutions. With my expertise in Figma, I created aesthetically pleasing and user-focused interfaces. During my internship, I improved my knowledge of technology and human behavior while honing my design abilities for business objectives.

2020-2023

GRAPHIC DESIGNER

Inshorts

I'm proficient at creating informational and attractive material that keeps our users interested and informed. I create engaging postings about daily news happenings using Adobe software to make sure that our news sources are not only informative but also visually stunning.

2017-2020

SR GRAPHIC DESIGNER

Invincible Publishers| Best Publisher in India

I lead a group of gifted designers and work on coming up with outstanding designing cover, layouts, social media posts and video teasers. These visuals make our material more noticeable and appealing to both online and offline consumers.
