

## Contact:

Bhubaneswar, Odisha

Mob- 8114862010

- Mail id-

[jenasmrutisikha@gmail.com](mailto:jenasmrutisikha@gmail.com)

- Google scholar

<https://scholar.google.com/citations?user=Si27qkcAAAAJ&hl=en>

- LinkedIn

<https://www.linkedin.com/in/smrutisikha-jena-2917b7169/>

- GitHub

<https://github.com/SmrutisikhaJena>

## Skills:

- Language and tools:

Python, Tensorflow, Sklearn, Numpy, Pandas, Matplotlib, Streamlit, Google colab, Jupyter notebook, Web scrapping using selenium, MATLAB & Simulation

- Machine learning:

Linear regression, Logistic regression, Clustering, SVM, KNN, Decision tree Random forest

- Deep learning:

ANN, CNN, RNN, LSTM, Computer vision, Open CV, Image processing, Object detection, YOLO, Sliding windows technique, NLP, Text classification

- Data analysis:

MY SQL, Power BI

## Certificates:

1. Machine learning, data science, deep learning using python. Udemy.

## Smrutisikha Jena

PhD Research Scholar, Data Science Enthusiast

Seeking for opportunities to secure a position as a Data Scientist where I can efficiently contribute my skills and abilities for the growth of the organization and my professional career.

## Experience

1. Machine learning Researcher at Chi square X, Bangalore

January 2023-Present

Role:

- Research on the theoretical foundations of machine learning, deep learning and developing new mathematical models and algorithms to solve complex problems.
- Research paper writing for several clients.

2. Data science intern at Qdegrees services, Jaipur, Rajasthan

August-December 2022

Role:

- Data scrapping using selenium, text classification and sentiment analysis using NLP, machine learning, deep learning techniques and deployed the website using streamlit for several clients.
- Auto audit for a client using ML.
- Automated the end to end process of attendance system of the company using DL and computer vision.
- Build a machine learning model to predict the attrition rate of the company.

## List of publications

[1] Smrutisikha Jena, Sthitprajna Mishra, Bibhu Prasad Ganthia; Load frequency control of a four area interconnected power system using JAYA tuned PID controller with derivative filter; "1st International Symposium On Sustainable Energy and Technological Advancement (ISSETA 2021)", National Institute Of Technology, Meghalaya, Shillong, 24th-25th September 2021.

[2] Smrutisikha Jena, , Bibhu Prasad Ganthia; "Sensorless speed control of Doubly fed Induction Machine Using Reactive Power Based MRAS", 1st International Conference on Artificial Intelligence, Computational Electronics and Communication System (AICECS 2021) , Manipal Institute Of Technology, 28th-30th October 2021.

[3] Smrutisikha Jena, Debani Prasad Mishra, Surender Reddy Salkuti, Book chapter: "Faults classification, location and detection in Under ground cable" (Submitted), Lecture Notes in Electrical Engineering.

## KNOWN LANGUAGE:

English, Hindi, Oriya

## PERSONAL PROFILE:

Date of birth- 26.06.1996

Marital status- Single

Nationality- Indian

## Projects

- 1.Text classification and sentiment analysis using NLP,machine learning,deep learning techniques and deployed the website using streamlit.
2. Audio classification using deep learning.
- 3.Loan approval prediction analysis using logistic regression,Decision tree,Random forest and KNN.
- 4.Power system fault detection,classification,location in a 14 bus distribution system system using CNN and LSTM.

## Education

- Btech : Indira Gandhi Institute Of Technology,Sarang  
2015-2019  
Electrical Engineering  
CGPA- 7.72
- Mtech : Veer Surendrasai University Of Technology, Burla  
2019-2021  
Electrical Engineering(power system specialization)  
CGPA-7.99
- PhD : IIIT,Bhubaneswar  
Course work completed(2021-2022)  
CGPA-8  
Research area- Fault detection, classification, location using machine learning, deep learning and computer vision in Python and MatLab Simulation.
