Objective

Dedicated and adaptable Software Engineer with a passion for creating intuitive and visually appealing user interfaces. Committed to continuous learning and staying updated with the latest advancements in the field. Seeking opportunities to leverage my skills and creativity to contribute to dynamic projects and drive the evolution of user-centric applications.

Experience

Convisor Technology - Bhubaneswar, Odisha 2023 - 2024
Associate Software Engineer

- Proficient in modern web technologies such as HTML, CSS, JavaScript, Wordpress, Canva and popular frameworks like React.
- Collaborated with UX designers and developers to translate wireframes and mockups into interactive and responsive web interfaces.
- Worked closely with backend developers to integrate frontend components with server-side logic and APIs.
- Contributed to the design system and maintained UI consistency across multiple projects.
- Stayed updated with the latest frontend trends, tools, and technologies to continuously enhance design skills and workflows.

Projects

1. GKWELD Industries
2. Modern Health Care

Internship

1. Internship at CONVISOR TECHNOLOGY, Bhubaneswar, Odisha on Php along with its implementation.
2. Internship at BSNL, RTTC, Bhubaneswar, Odisha where I learned about Basic IP Networking and Cyber Security.
