OBJECTIVE

As a software developer, I possess problem-solving skills and thrive in team-oriented environments. Driven to stay up-to-date with emerging technologies and techniques to continuously improve development practices.

EDUCATION

Bhubaneswar Engineering College, Bhubaneswar - *B.Tech*

JULY 2018 - JUNE 2022

Course - Computer Science and Engineering

Om Maa Saraswati Institute of Science and Technology, Rajgangpur- *XII*

JUNE 2015 - MARCH 2018

Course - Science (Physics, Chemistry, Math & IT)

EXPERIENCE

RSPInnov LLP, Bengaluru- *Flutter Developer*

JULY 2023 - PRESENT

I have recently gained valuable experience in code management and team collaboration.

Intent IT Solutions Pvt. Ltd., Bhubaneswar - *Mobile App Developer (Flutter)*

JUNE 2022 - JUNE 2023

I successfully completed my three-month probation period during which I gained valuable experience in app development, UI/UX design, and project management by working on five Flutter projects.

PROJECTS

MyMothersLap - (06/2022 - 12/2022)

-
- Developed a healthcare project using **Flutter**.
 - The project aims to provide local healthcare services such as doctors, hospitals, ambulances, equipment, diagnostics, home treatment, and medicines and other related services.
 - <https://play.google.com/store/apps/details?id=com.iis.mymotherslap>

ChatBase App - (02/2022 - 03/2022)

- Developed a cross-platform messaging and video calling application using **Flutter** and **Dart**.
- ChatBase provides free P2P messaging and video calling services.
- The app is integrated with **Google Firebase**.

WebNest Browser - (11/2021 - 01/2022)

- I will design and implement a web browser called “WebNest” using **Python**.
- The browser will use **HTML5** and **CSS3**, and I will integrate it using the **PyQt5** and **TKinter** libraries.
- Implementing tabs in the browser will make its internal workings a bit more complicated, as it will need to keep track of the currently active browser view.

SKILLS

- Flutter (Singleton, Provider)
- Dart
- HTML5
- CSS3
- UI/UX Design (Adobe XD)
- Core Java
- VS-Code

INTERESTS

- Continuous **learning** and personal development
- **Researching** new technologies and trends
- **Curiosity** for exploring new concepts and ideas
- Listening to **music** as a means of relaxation and inspiration.

DECLARATION

I hereby certify that the above-mentioned data is true and correct to the best of my knowledge and belief.
