Education: -

Master of Computer Applications

GIET University Gunupur, Odisha

Aug 2022 - Jun 2024

CGPA: 8.74/10

Bachelor of Science in Physics

Fakir Mohan University Balasore, Odisha

Sept 2018 - Jun 2021

CGPA: 7.81/10

Higher Secondary Education (Sc.)

Fakir Mohan University Balasore, Odisha

May 2016 - Apr 2018

Percentage: 77%

Technical Skills: -

Languages:	C, JAVA, JavaScript, TypeScript, PHP
Frameworks and Libraries:	Node.js, Express, Next.js, Angular, Laravel
Database:	MySQL, MongoDB, PostgreSQL, Prisma ORM
Tools & Platforms:	AWS, DBeaver, Heroku, Linux, Jira
Core Competencies:	Data structure and algorithm, Database management Systems, object-oriented programming

Projects: -

SECURE-SHOP BACKEND SOLUTIONS: [GitHub](#)

Technologies: Node.js, Express, PostgreSQL, Prisma, Redis, JWT, Crypto, Razor pay, Twilio

- Engineered a secure **backend** by **Prisma** with **PostgreSQL** for user management, product handling, and payments Utilized.
- Integrated **authentication** and **OTP(Twilio)** and **Email verification**, improving security and retention by **40%**.
- Utilized **Redis** for caching, cutting data retrieval times by **30%**, and **Razorpay** for optimized transaction processing.

VIDEO CONFERENCING APPLICATION: [GitHub](#) , [Live Site](#)

Technologies: Next.js, TypeScript, Clerk, getStream.io, Tailwind CSS, Vercel

- Developed and deployed a video conferencing platform in **vercel** using **Next.js, TypeScript, Clerk, getStream.io, and Tailwind CSS**, featuring **secure authentication, role-based access, and real-time messaging**.
- Implemented **screen sharing, participant management, meeting recording, and personalized meeting rooms**, ensuring seamless collaboration.

HEALTH-AI CHATBOT: [GitHub](#)

Technologies: PHP, MySQL, Laravel, Gemini AI

- Built a **HEALTH-AI chatbot** using **Gemini AI** to diagnose diseases from user symptoms, recommend medicines, home remedies, precautions, and **generate reports**.
- Enabled intelligent conversation flow to enhance **user engagement** and healthcare assistance.

Achievements: -

- Awarded a laptop** by the honourable **CM of Odisha** in my inter for rank holding in inter exam.
- Solved **330+ problems** on [Leetcode](#).

Languages: -

English, Hindi, Odia
