Experience

Junior Developer

August 2025–Present

Grossky Technology, Bhubaneswar

Developed and maintained Django web applications with dynamic AJAX and jQuery-based interfaces, implementing role-based access control and complete CRUD functionality across multiple modules. Designed admin dashboards using DataTables and GridJS, handled secure file and image uploads, and generated analytical PDF reports using ReportLab and Matplotlib. Collaborated with cross-functional teams to deliver features on time while optimizing performance, fixing bugs, and enhancing existing modules.

Software Trainee

April 2025–August 2025

Grossky Technology, Bhubaneswar

Contributed to the development of Django-based web applications using AJAX and jQuery, implementing CRUD operations and MySQL database integration via Django ORM. Assisted in building authentication features and supported debugging and enhancement of existing modules while gaining hands-on experience in real-world development workflows.
