Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

Experience

- Cognifyz Technology** 27/01/2024 - 27/02/2024
Web development intern
I'm completed my internship in cognifyz Technology as a web development ..
During the internship I made few project such as landing page (in this I used html and CSS only) another one is calculator (in this i used html CSS and JavaScript) and another one is change colour (if I click on the button then automatically colour will be change..I make this by the help of html CSS and JavaScript).

Education

- B.Tech(Computer Science)** 2021-2025
Cgpa-8.038

Skills

- Java
- HTML
- CSS
- JavaScript
- SQL
- Little bit knowledge about on PHP

Projects

- Amazon Clone**
By the help of html and CSS I make this project
- Snake game**
By the help of html CSS and JavaScript...I make a snake game ...
In this I used html for giving the shape, borders,and so all and CSS for designing part and JavaScript for logical part...
