Experience

TT Infotechs Pvt. Ltd

Jun 2022 to Present

Front-end & Backend Developer

I am a dedicated and passionate Frontend Developer with over two years of experience in crafting responsive and user-centric web applications. My journey in web development has equipped me with a robust understanding of modern frontend technologies and a knack for creating visually appealing and highly functional user interfaces.

Key Skills and Expertise

- **HTML, CSS, and JavaScript:** Proficient in the foundational technologies of the web, ensuring semantic, accessible, and well-structured code.
- **Responsive Design:** Expertise in creating designs that adapt seamlessly across various devices and screen sizes, utilizing frameworks like Bootstrap and Flexbox.
- **Modern JavaScript Frameworks:** Hands-on experience with popular frameworks such as React.js and Vue.js, enabling the development of dynamic and interactive web applications.
- **Version Control:** Proficient in using Git for version control, ensuring efficient collaboration and code management in team environments.
- **Performance Optimization:** Adept at optimizing web applications for speed and performance, ensuring a smooth user experience.
- **Cross-Browser Compatibility:** Ensuring that applications perform consistently across different browsers and platforms.
