COURSE

Seeree, Bhubaneswar	2023 – 2024
Completed a comprehensive Full Stack Developer course with a focus on Python, Django, HTML, CSS, JavaScript, and SQLite. Gained hands-on experience in building responsive web applications, developing dynamic front-end interfaces, and managing backend databases.	

PROJECTS

Online Job Portal | 2024-APR

Designed and developed a full-stack online job portal using Python, Django, and SQLite, allowing users to register, search for jobs, and apply online and allowing requiter to post a job for the requirement of the company.

Implemented user authentication and authorization features, including registration, login, and password hashing, to ensure secure access to the platform.

Utilized SQLite to interact with the database, enabling CRUD (Create, Read, Update, Delete) operations for job listings and user profiles. Integrated third-party APIs for job search functionality, such as Indeed or GitHub Jobs API, to retrieve and display real-time job listings based on user search criteria. Implemented responsive front-end design with HTML, CSS, and JavaScript, ensuring compatibility across devices and browsers for seamless user experience. Incorporated features such as email notifications for job application confirmations and admin dashboard for managing job listings and user accounts. Collaborated with a team of developers to brainstorm ideas, plan project milestones, and address technical challenges, fostering a collaborative development environment.

Conducted thorough testing and debugging to identify and resolve issues, ensuring the reliability and performance of the online job portal.

CERTIFICATES

Programming in python(SEEREE)

- Mastered fundamental python syntax, proficiently utilizing control flow, loops, functions, and data structures.
- Acquired expertise in procedural programming paradigms and associated logical concepts, enhancing capabilities.

Full Stack Developer(SEEREE)

Developed full stack web applications using technologies such as [list relevant technologies, e.g., HTML, CSS, JavaScript, React, UI/UX, Database(SQLITE, SQL, ORACLE) , Django.

Introduction to IOT(NPTEL) Introduction to Soft Computing(NPTEL) Cloud Computing(NPTEL)

ACHIVEMENTS

- Coding competition, Exam/comp score • Got 1st prize in school arithmetic competition
- Got 2nd prize in school singing competition.

INTRESTS

- Photography & editing, Reading
- Member of Rotaract Club of Bhubaneswar Royal
