PROFESSIONAL EXPERIENCE

IMG GLOBAL INFOTECH

Alwar, Rajasthan

As a Web Designer

December 2024 – Current (2026)

As a Web Designer at IMG Global Infotech, I played a crucial role in designing and implementing responsive and user-friendly web interfaces. I collaborated closely with designers and backend developers to deliver high-quality websites and web applications

Project 1: [E-commerce Website](#) (React.js, Firebase, Redux, Tailwind CSS) Own project

Developed a fully responsive e-commerce platform using a mobile-first UI with Tailwind CSS to deliver a seamless and consistent user experience across all devices.

Project 2: [EMIRXX Website](#) (AI Investment Website)

The EMIRRX AI Fund delivers high-frequency, data-driven returns with transparent risk management

Project 3: [Health Website](#) (Medicine Distribution Website)

The Power nose website is a Medicine distribution website

Project 4: [TechTrade Website](#) (Stock Market Trading Website)

Built a sleek and responsive trading website with a user-centric interface

Project 5: [Car Website](#) (React.js, Tailwind CSS, Js Animation)

A Car rental and Sale website near you

Garg Web infotech
